

Oakes Public School Facilities Committee Meeting
Tuesday, April 11, 2023
Central Conference Room

Committee Meeting called to order at 9:03 am by Anna Sell.
Those present were Anna Sell, Reid Garrison, Dave Ehrlin, Robert Thorpe, Bobby Knodel, Monica Hiembuch and Shannon Jepson.

Reviewed ICS Inc. Proposal. This agreement is less than \$25,000 therefore, does not need school board approval, but Anna wanted to get the opinion on the cost and the scope of duties that ICS could do for Oakes Public School.

The committee agreed that this is something Oakes Public School should contract for. It was agreed that half would be paid in this current fiscal year, and the other half paid in next fiscal year.

Meeting adjourned at 9:12 am.

Respectfully submitted,

Shannon Jepson
