Sonia Meehl moved to approve minutes of last meeting. Cory Schall second. Motion passed.

The floor was opened to negotiations. The 2021-2023 NA was reviewed since it had to be retyped. There were grammatical errors that were changed, and all changes were incorporated into the NA.

Article IV Compensation, Section 4 Method of Payment. Removed first sentence "Each teacher shall have the option of accepting their salary in nine, ten, or twelve equal payments with notification as to the option selected to be given to the business manager by September 1st of each year."

Article IV Compensation, Section 7. Changed wording "to be used towards offered benefit plans, deposited into a pre-tax account, or taken as a taxable cash payout."

It was suggested to think about the process of the negotiations and drop any suggestions to Shannon Jepson.

The meeting adjourned at 6:15 PM.

Respectfully submitted,

Shannon Jepson, Business Manager
