Re: Scholarship Opportunity

The North Dakota Rural Water Systems Association (NDRWSA) is a non-profit trade association located in Bismarck. Every year, we raise funds to provide financial assistance for students wanting to further their education. Through our Patrick Denne Scholarship, we **award up to \$1,500 per recipient**. Preference will be given to North Dakota residents.

Who should apply?

- Child or grandchild of a current city/rural water system employee or elected city/rural water system official,
- Students planning to enroll or currently enrolled in Bismarck State College's Water and Wastewater Technology program.

We would appreciate your help in distributing this information to your students. Please inform students that the scholarship is awarded mid-year. Applications are due March 31, 2023. Feel free to make copies as necessary.

The application form and eligibility requirements are attached. If you need further information or have questions, please contact our office at 701-258-9249 or 1-800-349-6951. Thank you for your anticipated help in making students aware of this scholarship opportunity.
