

Preserving our Facility and Providing 22nd Century Learning Spaces!

OAKES SCHOOL DISTRICT INVITES YOU TO JOIN US FOR A
COMMUNITY OPEN HOUSE!

It's time to invest in our school facility and look towards the future on how we educate our students! We've organized this open house to provide our community with information about the work we've done around facility planning and a pending referendum at the Oakes School District.

There will be five stations for you to circulate around at your own pace and learn about The Planning Process, Space Needs, Proposed Improvements, Tax Impact and How to Learn More. Facility tours are also available for those interested.

Come hungry and don't miss out on the annual Tornado Feed!
