Why We Are Transitioning to PCBL:

Mission: Achieving excellence by educating all students for tomorrow's world.

Vision: Our vision for the future is to create personalized educational experiences that will prepare each student to develop the skills essential for their success. These skills include critical thinking, communication, collaboration, and creativity. We will accomplish this by supporting our students in their intellectual, social, and personal growth in a community that is safe and conducive to learning.

Commitments: Respect, Genuine Relationships, Growth Mindset
