

Title 1 Schoolwide Program
Fact Sheet
Oakes Elementary School

Achieving excellence by educating all students for tomorrow's world.

Oakes Elementary is a Schoolwide Title 1 school.

A schoolwide program allows for our school to use Title 1 funds and programs to meet the needs of ALL students. Our primary goal is to ensure that ALL students demonstrate proficient and advanced levels of achievement.

What is a Title I Schoolwide Program?

- built on schoolwide reform strategies, rather than separate, add-on services
- Serves ALL children in the building
- Focuses on academic results

What are the advantages of Schoolwide Programs?

- A catalyst for comprehensive reform of the entire instructional program
- Allows educators to come together and collaborate
- It addresses the needs of students in an integrated way
- It permits Federal resources to be spent in ways that most effectively raise the achievement of students

How can I learn more?

- Parents are provided information about Title 1 at parent/ teacher conferences in the Fall
- Parent Involvement Plan and Parent Compact, which can be found on the school's website

What can parent's do?

- Share the love of learning and reading, the Oakes Elementary School has adopted a read for 20 minutes a night initiative
- Participate in your child's day by asking specific questions and praising effort and improvement
- Serve as a role model, showing your child that you support his/her education

What are the essential components of a Schoolwide Program?

- A comprehensive needs assessment, which identifies areas of greatest need
- Schoolwide reform strategies
 - Strengthen the core academic program
 - Address needs of all learners
 - Educators involved in decision making
 - Instruction by highly qualified staff
 - High-quality ,on-going professional development
 - Strategies to increase parent involvement
 - Program Evaluation

What are the OES goals for the 2022-2023 school year?

Goal 1:

To create personalized educational experiences that will prepare each student to develop the skills essential for their success. These skills include critical thinking, communication, collaboration, and creativity.

Goal 2:

Establish practices that enhance the Growth Mindset in students, faculty and staff.

Goal 3:

Develop ways to engage families in order to positively impact student learning outcomes.
